

In **English** we'll be writing instructions for different projects. Then we'll be writing stories based on 'The building boy' by Ross Montgomery and David Litchfield.

Our **music** lessons will focus on learning to play and perform tune on the glockenspiel and collaborate musically with a partner.

In **computing** we'll be working on algorithms and programming.

Our **PSHE** lessons will focused on negotiating with others and managing anger.

DAHL CLASS SPRING TERM 2

R.E. will be about Christianity. The key question will be: How important is it to Christians that Jesus came back to life after His crucifixion?

History this term will be based around the key question: *Who was Isambard Kingdom Brunel?* We'll look at his life, achievements and the time he lived in.

In **D/T** this term we'll be researching, designing, planning and constructing bridges. We'll then test and evaluate our products.

Home-learning will be focussed on making sure children read at home, practise weekly spellings and supporting families engage with the week's learning across the curriculum.

We'll be working on a still life drawing and later guided drawings of bridges and portraits of Brunel in **Art**.

P.E this term will be based on dance and hit-catch-run.

Our **maths** work will be continuing and deepening our learning on multiplication and division. Then we'll learn about measuring length and height, and mass, capacity and temperature.
