

In **English** we'll be writing 6 of our own independent writes in different styles: a recount, two stories, non-fiction text, instructions and diary entry.

Our **music** lessons will focus on exploring improvisation. We'll be learning to sing and play three songs : *I wanna be in a band, music is all around, saying sorry.*

In **computing** we'll be discussing online and bullying and working on making digital music, exploring rhythm, patterns, notes and tempo.

In **PSHE** we'll be talking our bodies and how to stay clean healthy.

## DAHL CLASS SPRING TERM 5

**R.E.** will be about Islam. We'll be asking the question:  
*'Does going to the mosque help give some Muslims a sense of belonging?'*

Geography this term will be based around the comparing the geography of Kampong Ayer to where we live.

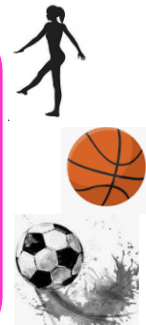

In **Science** this term we'll be deepening our knowledge of animals and living things.

**Home-learning** will be focussed on reading at home, practise weekly spellings and supporting families engage with the week's learning across the curriculum.

We'll be doing guided drawings of mosques and animals in **art**.

In **P.E** this term we'll be practising gymnastics and developing our attacking, defending and

In **maths** We'll start with weight and mass and then move on to learning about fractions and time.
