

## English

In our English lessons we will continue to read and discuss 'The 1000 year old boy' by Ross Welford.

We will also:

- Write a Non Chronological report about Rosa Parks and of the life of a significant person of our choice.
- Focus on key **spelling rules linked to the year 5 & 6 statutory words.**

## Year 5 Zephaniah class Term 5 Curriculum Map

## Maths

We will begin by revising and cementing learning around decimals, percentages and finding area of shapes. We will also continue to revise and practice the four operations:

We will continue with our daily 'fluent in 5', be doing **daily times tables** practice and weekly TT Rockstars.

## Science - Animals including humans

Our science learning will be based around how human bodies change as we grow:

- How do humans change as they grow
- What happens to our bodies during puberty?
- How does our lifestyle affect how we grow and develop
- How can timelines and graphs provide evidence to

## Music

We will be working on composing our own music in ternary form

## R.E

We'll be asking the question:  
*What's the best way for Sikhs to show commitment to God?*

## COMPUTING

In Computing we will be learning about the dangers of online bullying.

## P.E

- Football (Tuesdays)
- Dance and Outdoor and Adventurous Activities (Fridays)

## History

- Who were the ancient Greeks?
- How did the Ancient Greeks change the way people make decisions in the government?
- How did the Greeks discoveries in science and maths help us understand the world?
- What is the legacy of the Greek Civilizations?

## Art

This term we'll be designing and creating fashion from recycled materials as well as perfecting our Hokusai sculptures and prints ready for our summer art exhibition.

## Home Learning

Set on and to be handed in every Friday:  
-Spelling  
-TT Rockstars and a short maths task  
-Daily reading to be recorded in reading log.

## PSHE

This term we will be focusing on the topic 'being my best.' We will also be continuing to build our team building skills and to develop our core class motto '**We are kind!**'

## French

We'll learn how to talk about our families in French, incorporating core skills: listening, reading, speaking, writing.
