

English

In our English lessons we will continue to read and discuss '**The 1000 year old boy**' by Ross Welford.

We will also:

- Write a piece focused on dialogue in a story, as well as narrative based on 'The Explorer' by Katherine Rundell.

-Focus on key **spelling rules linked to the year 5 & 6 statutory words.**

Year 5 Zephaniah class Term 6 Curriculum Map

Maths

Maths learning will focus on shape, position and direction, negative numbers, finding volume and converting units.

We will continue with our daily 'fluent in 5', be doing **daily times tables** practice and weekly TT Rockstars.

Science - Animals including humans

Our science learning will be based around how animals and plants reproduce. Our key questions are:

How do different plants reproduce?

How do flowers, pollinators and seeds help in reproduction?

How do mammals reproduce and grow?

How are life cycles of different living things similar — and how they are different?

Music

We will be learning about and listening to Argentine Tango in our music lessons this term.

R.E

We'll be asking the question:
What's the best way for Christians to show commitment to God?

COMPUTING

In Computing we will be continuing our learning about the dangers of online bullying as well as working on programming using micro bits.

P.E

- Tennis (Mondays)
- Athletics (Fridays)

Geography

This unit will work around the topic of deserts, based around the key questions:
What is a desert and where are deserts located?
What physical features do deserts have?
How do people use desert and what impact does this have? Would you like to live in the desert?

Art & DT

This term we'll be perfecting and completing works for our summer art exhibition and deciding how to display work. In DT we will be creating our own textile bags, building on sewing skills from last term.

Home Learning

Set on and to be handed in every Friday:
-Spelling
-TT Rockstars and a short maths task
-Daily reading to be recorded in reading log.

PSHE

This term we will be focusing on the topic 'being my best.' We will also be continuing to build our team building skills and to develop our core class motto '**We are kind!**'

French

We'll learn how to talk about our families in French, incorporating core skills: listening, reading, speaking, writing.
