

## English

Read and discuss Malamander

Write contrasting setting descriptions based on our class story

Spelling – 10 new words per week

## Geography- Plan and carry out fieldwork

We will be answering the questions:

What is our local area?

What is fieldwork?

How do we collect data?

How did I investigate an issue in my local area?

## D&T – design and make a fairground ride

Will be using technology to design, make and programme a fairground ride.

## PSHE – Growing and changing

We will be exploring online pressure, managing changes in the body, naming body parts and understanding how babies are made.

Please see letter from Miss Pickett for more information regarding this unit.

## Maths

Shape, position and direction

Life skills

Project based maths work

Regular arithmetic practice

Regular times tables practice

## Year 6 Rowling class

### Term 6 - Curriculum

#### R.E

We will be focussing on the question what is the best way for a Christian to show commitment to God?

#### Music- You to me are everything!

We will be listening and appraising, describing tempo and rhythm.

Discussing similarities and differences in pieces of music

#### P.E (Mondays and Fridays)

Rounders and Athletics

## Science- diet, drugs and lifestyle

Our science learning will support us to answer the following core questions:

How does a balanced diet help the body grow, stay healthy, and have enough energy?

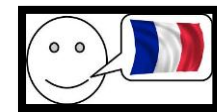

What effects can drugs, alcohol and smoking have on the body and brain?

How can lifestyle choices affect physical and mental health?

How can people make informed decisions to live a healthy lifestyle?

## Computing- Programming

We will be using Crumble to programme a fairground ride.

## French

Boucle d'Or et Les Trois Ours (Goldilocks and the Three Bears)
