What do I look like?

A portrait is a painting or a photograph of a person's face and expression. It shows the likeness, personality, and even the mood of the person. A self-portrait is a picture of the artist drawing it.

We will learn how to draw a self-portrait, thinking about where the features fit into the face. We will choose the correct colour for eyes, hair and skin tone.

Pablo Picasso was a famous artist. He was born in 1881 and died in 1973 (aged 91). He lived in France and then Spain.

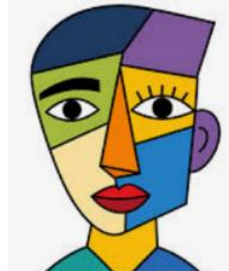

Picasso enjoyed making faces using different shapes – this is called cubism.

Giuseppe Arcimboldo was an artist born in Italy in 1527. He died in 1593 (aged 67). He painted human portraits using fruit and vegetable shapes.
