

SCIENCE OVERVIEW

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
EYFS / Y1	Autumn Humans	Seasons - Winter	Materials	Seasons - Spring	Animals	Green Plants Seasons - Summer
Y2	Humans Growing Up	Light and Dark	Materials	Living things and their habitats	Animals Needs for Survival	Plants Bulbs and Seeds
Y3	Rocks and soils Fossils	Skeletons Nutrition and Diet	Forces and Magnets	Light	Plants	Plants
Y4	Group and Classify Living things	Sound	States of Matter	Electricity	Habitats and Food Chains	Teeth and digestion
Y5	Forces	Space	Properties of materials	Reversible and irreversible changes	Animals including humans	Reproduction - mammals and plants
Y6	Living things and their habitats	Electricity	Light	Variations and Adaptations	The circulatory system	Diet, drugs and lifestyle
RB1	Understanding the world: exploring nature	Understanding the world: exploring forces and movement	Understanding the world: exploring water and the weather	Understanding the world: exploring living things and the environment	Understanding the world: exploring materials and their properties	Understanding the world: exploring changes in the environmet
RB2	Living things and their habitats		States of matter		Electricity
