RB1	Art is not taught explicitly. We promote children's creativity to follow their own interests and adopt a cross curricular approach in this area. For example: children will regularly be provided with open ended resources and materials to explore and make marks and patterns with the invitation to explore, colour, texture and materials.					
RB2	How can I use shape and colour to create compositions?		How can I tell stories through drawing and making?		How can I use natural materials to create images?
