

Did you know...?

You spend **20%** of your time in school at play, that's about **5 hours a week** and **1.4 years of primary school!**

We want that time to be **fun** and **happy**

This term we're going to start **making changes** to our playtimes.

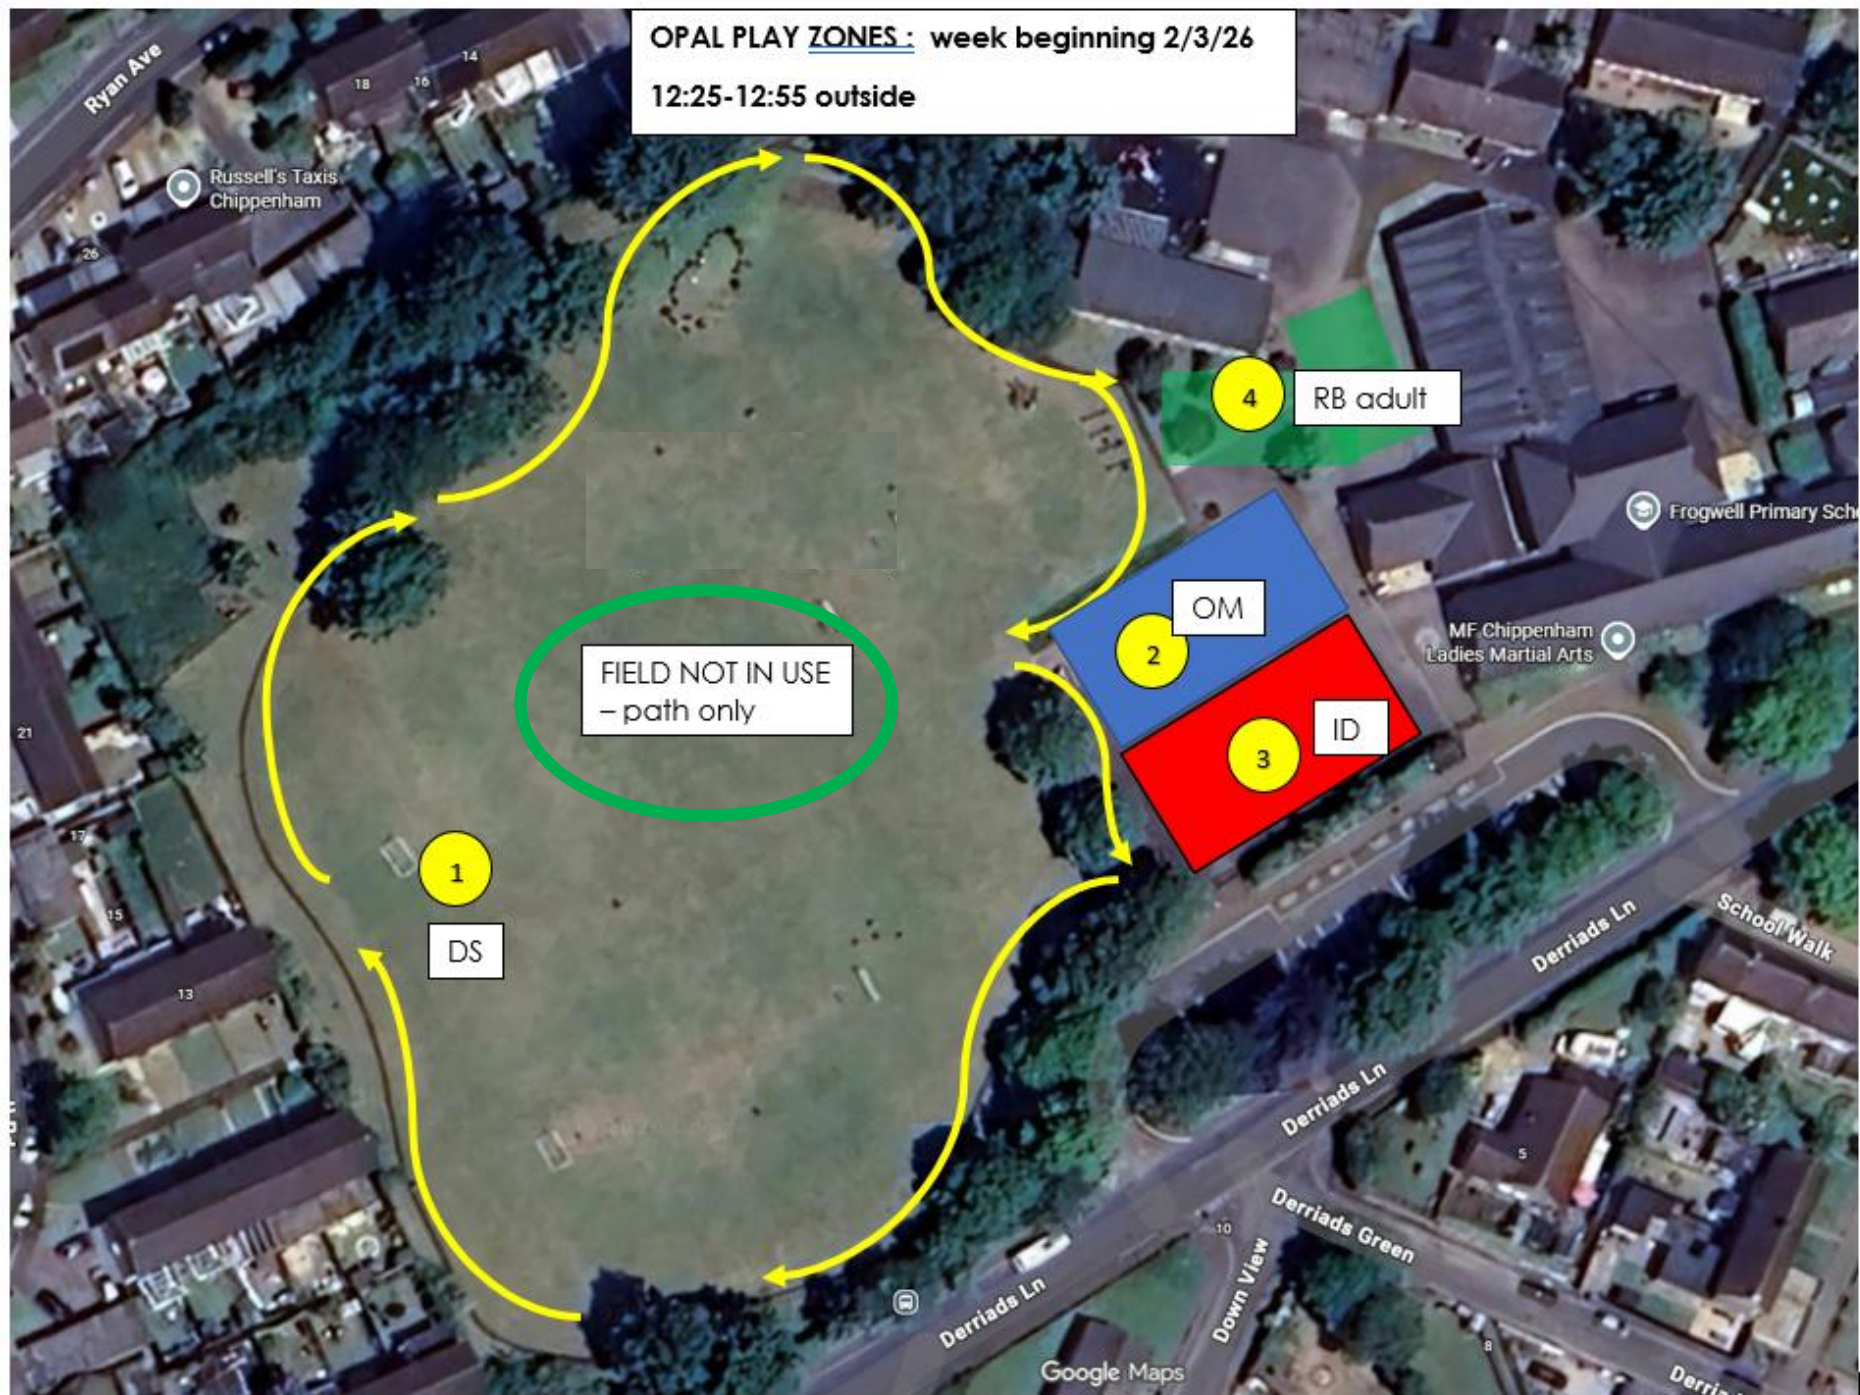

We're going to **work together** as a team to make playtimes more **fun and happy**.

What's new this week?

- The play areas will be split into **zones**
- There will be different equipment in each zone, and one adult from the **Play Team** in each zone.

This is the **Play Team!**

Sitting 2

A right is something very important that every child should have to grow up happily.

You have a right to:

- be safe
- learn
- play

You have the responsibility to use your actions and words to make sure you and others can play, learn and be safe.

The **Play Team** will support and help you!

You have a right to:

- be safe
- learn
- play

Your responsibility:

Look after our resources

Be kind to others

Keep yourself and others safe

You have a right to:

- be safe
- learn
- play

Play together

Try new things

Solve problems

Have fun!

Your responsibility:

Be kind to others

Look after our resources

Keep yourself and others safe

- Don't hit on the head or face
- Don't be too rough with each other
- Adults will help you understand when something is unsafe, when an adult says STOP, you must follow their instruction.

You have a right to:

- be safe
- learn
- play

Play together

Try new things

Solve problems

Have fun!

Your responsibility:

Look after our resources

Be kind to others

Keep yourselves and others safe

Work together to put
the equipment away
