

## Frogwell Primary School Newsletter

2 May 2025

**Hello everyone,**

Mr Goodman and I have had a brilliant—if very busy—first two weeks at Frogwell School! It's been wonderful getting to know the staff, children, and families.

We had quite the start with an OFSTED monitoring visit on Wednesday! While we're not yet permitted to share the report, we're really pleased with the outcome. It was encouraging that the inspector recognised the rapid progress the school has made in recent times.

Thank you for all your kind messages of support—we look forward to seeing you at the gate.

## Written by King-Smith Class

All classes took part in a mini marathon today at Frogwell Primary School. We did it this week because the London Marathon is this Sunday. Mr Crossman is running in the marathon!

We went to the playground and did some warm-up exercises. There were three ladies at the front and the lady in the middle had a megaphone so everyone could hear her. There was music playing and we did lots of dancing.

After the dancing, we ran around the field. Year 6 went first. Then we went in descending order. We had to run laps around the whole field! People did different amounts of laps. Everyone tried their best!

Leonid "We did races with my brother and friends – it was fun!"  
Brody "I got to run with my friends and running around the field was the best part!"  
Alana "I liked the warm-up and the singing at the beginning! It was funny to do!"

## Warm Weather

As we move into summer and hopefully warmer weather, please can you ensure your child comes to school with a water bottle and sun hat every day.

On days where sunshine and high temperatures are forecast please apply sun cream before the school day. There are several 8 hour protection lotions available that will keep your child protected throughout the school day without the need to reapply.

School staff do not have the capacity to help children reapply sun cream at lunchtime so please do not send sun cream into school unless there is a medical reason for doing so that has been agreed with your child's teacher.

Study sandals are permitted in summer but these must be securely attached to the feet and suitable for active play (no flip-flops, sliders or similar).

## School Dinners

Please can all parents whose children have school dinners ensure that all meals are pre-booked on the Sunday before each school week, at the very latest. This enables our Catering team to ensure that they have the correct figures on hand and reduces our food waste.

Where dinners are not pre-booked a significant amount of time is spent each day identifying meal choices for children and puts unnecessary pressure on our Catering and Admin team.

If meals are not pre-booked your child may not receive their preferred choice for lunch.

## Attendance

The top attending classes this week were:

- 1. Zephaniah Class 98.1%**      **2. Jeffers Class 98.1%**      **3. King-Smith Class 97.5%**

The highest attending class (or classes!) each week wins extra playtime or another activity chosen by the class. We also have a bigger class prize/reward at the end of each term for the class that has the highest attendance overall for that term, and one for the whole year! The winning class at the end of Term 4 was **Rosen Class with an average of 94.6%** for the term. Please remember to report all absences via email at [attendance@frogwell.wilts.sch.uk](mailto:attendance@frogwell.wilts.sch.uk) or using the online form embedded into the school website at [www.frogwell.co.uk](http://www.frogwell.co.uk)
