### African Music Performance

On Monday we were lucky enough to experience an authentic African Music Performance.

The children thoroughly enjoyed learning about all of the different instruments and learnt some songs that we have heard floating down the corridors all week!

## Chippenham Games

The Chippenham Games is an exciting and unforgettable experience for our Yr6 children! Held at the stunning Stanley Park, we arrived to cheering, music, and an atmosphere full of energy and fun. It felt like stepping into our own mini Olympics!

Every child was given a special Chippenham Games t-shirt to wear, which made us feel part of something amazing – and at the end of the day, we were all proudly presented with our own medal, just like real Olympians!

There was something for everyone — whether we loved sport, movement, creativity, or just having a go at something new. The leaders at each station were so friendly and encouraging, helping us all to try our best and have loads of fun. Our children made friends with other YR6 children in the Chippenham area and new friendships were formed.

We were especially excited to be part of an event at Stanley Park, with Paul Harvey and supported by the secondary school headteachers, Chippenham Town Council, and celebrated at the end by the Mayor of Chippenham, who reminded us how important it is to be active, try new things, and support each other. A huge thank you to The Chippenham Sports Partnership, Selina (Sheldon), Emma (Hardenhuish) and Jessica (Abbeyfield) for hosting such a smooth, exciting, and inspirational day. We truly felt like stars.

We went home with medals around our necks, new memories, and big smiles – already asking, “Can we go again next year?!”

### Warm Weather

As we move into summer and hopefully warmer weather, please can you ensure your child comes to school with a water bottle and sun hat every day.

On days where sunshine and high temperatures are forecast please apply sun cream before the school day. There are several 8 hour protection lotions available that will keep your child protected throughout the school day without the need to reapply.

School staff do not have the capacity to help children reapply sun cream at lunchtime so please do not send sun cream into school unless there is a medical reason for doing so that has been agreed with your child's teacher.

Sturdy sandals are permitted in summer but these must be securely attached to the feet and suitable for active play (no flip-flops, sliders or similar).

### Attendance

The top attending classes this week were:

**1. Jeffers Class 100%**

**2. Rosen Class 97.3%**

**3. Lewis Class 96.3%**

The highest attending class (or classes!) each week wins extra playtime or another activity chosen by the class. We also have a bigger class prize/reward at the end of each term for the class that has the highest attendance overall for that term, and one for the whole year!

The winning class at the end of **Term 5 was Lewis Class with an average of 96.3%** for the term. Please remember to report all absences via email at [attendance@frogwell.wilts.sch.uk](mailto:attendance@frogwell.wilts.sch.uk) or using the online form embedded into the school website at [www.frogwell.co.uk](http://www.frogwell.co.uk)

**If parents are planning to take children out of school during term time, please can they come into the office to fill out a leave of absence form.**
