

The Iron Age

 Topic	 vocabulary	
	 flint	 Iron Age
 barter	 bronze	 Bronze Age
 trade	 iron	 Stone Age

Neolithic

Iron Age

Both homes are round. They are made from natural materials. They have a fire in the middle.

barter - To exchange goods without using money.

Coins were first made about 600 BC.

The Stone Age (Neolithic) home has fewer objects. The Iron Age home has more tools and furniture. In the Iron Age the fire has a metal stand with a pot hanging from it.
