

English

In our English lessons we will continue to read and discuss 'Tom's Midnight Garden' by Philippa Pearce.

We will also:

- Write a **poem** based on Karl Nova's work and perform poetry as spoken word.
- Write a Non Chronological report of the life of a significant person.
- Focus on key **spelling rules linked to the year 5 & 6 statutory words.**

Year 5 Zephaniah class

Term 4 Curriculum Map

Maths

This term, will begin by revising and cementing learning around fractions, multiplication and division. We will then extend our learning to: **multiplying fractions, decimals, percentages and statistics.**

We will be assessing year 5 learning so far using PUMA exams, and we will also continue with our daily 'fluent in 5' and be doing **daily times tables** practice and weekly TT Rockstars.

SCIENCE- Materials

Our science learning will support us to answer the following core questions:

- What is the difference between solids, liquids and gases.
- How can materials be separated?
- Which changes are reversible and which irreversible?
- How can changes in materials be useful in different ways?

P.E

- Cricket (Tuesdays)
- Dance (Fridays)

PSHE

This term we will be focusing on our rights and responsibilities. We will also be continuing to build our team building skills and to develop our core class motto '**We are kind!**'

French

We'll learn how to talk about our families in French, incorporating core skills: listening, reading, speaking, writing.

Geography

Our learning around Oceans will be based around these key questions:

- How do we use our oceans?
- What is the Great Barrier Reef?
- Why are our oceans suffering?
- Why do our oceans matter?

Music

We will be continuing learning to play 'The Enchanted Forest' on the recorder.

R.E

We'll be asking the question: *How significant is it for Christians to believe that God intended Jesus to die?*

D&T

We will be researching, designing, planning and then building structures to make a kite. We'll then test and evaluate our kites.

COMPUTING

In Computing we will be learning programming skills to be able to create short quizzes.

Home Learning

- Set on and to be handed in every Friday:
- Spelling
- TT Rockstars and a short maths task
- Daily reading to be recorded in reading log.
