

Art Knowledge Organiser: Explore and Draw  
How do artists use nature to inspire art?

Key Vocabulary	
<b>Composition</b>	How an artist arranges shapes, lines, colours and objects in a piece of artwork.
<b>Land art</b>	Art made outside using nature as a medium.
<b>Line Drawing</b>	Art made using simple lines to represent objects.
<b>Medium</b>	The materials an artist uses to make art.
<b>Pattern</b>	Repeated shapes or designs.
<b>Texture</b>	How something feels e.g. rough, smooth.
<b>Wax resist</b>	An artistic technique using wax crayon and paint.

I know that some artists explore the world around them to find inspiration.	I know that artists can use different mediums to create their art work.
I can explore my local environment to collect things to use in my artwork.	I can explore composition by considering the arrangement of the things that I have collected before completing observational drawings or taking photographs.
